Farewell Jumpin' Jack Flash

One of our esteemed presenters, Jumpin' Jack Flash passed away on September 11th after a battle with his liver.

A long standing member of the station and presenter of the "News, Blues & Views" program, Jack was forever feisty and strident with his comments on social, political & environmental issues.

His service attracted a broad cross-section of the community who had many enjoyable tales to tell of their dealings with him. We salute a big man with a big heart. He will be sorely missed. Our condolences go to his family.

Noosa Show Outside Broadcast

On Friday 9th September, Noosa Community Radio attended the 103rd Noosa Country Show to do an outside broadcast from 9am till 1pm. Apart from a few showers and a downpour while we were packing up, a great day was had by all.

Armed with techies, Jason Slack Smith, Phil Brown, Pete Young and Charlie Isaac, presenters Diet Simon, Debbie Noyek, Anna Bennett, Eliza Grogan, Maxine Stibbe and Mark Rodriguez along with other helpers, Carole Baxter and Tiana Morgan we were ready for a great day. We conducted 15 interviews which are on our website <http://www.noosacommunityradio.org/noosa-country-show-2011/> along with more photos from the event.

Special thanks go to Sunshine FM for the loan of their outside broadcast equipment, which was required as ours was having problems.

Think Tank

On September 18th we held our "Think Tank". 20 members attended.

We had hoped for more. It was a day where everyone put their ideas forward regarding what each sub-committee should be addressing.

Big thanks to Andrew and Shana Tucker as well as Brian Panisset for organizing and running the day. A summary of the day can be had by clicking here. http://www.4shared.com/document/ptvSJGd9/Think_Tank.html

Library Report

Our library team needs some support. At present Scott Robinson is doing most of the work with regular reviewing help from Gerry Blain. To see Scott's report and ideas, click here. http://www.4shared.com/document/FDjbm0d-/Library_Report_24-8-11.html

Presenters Profiles & Photos

As mentioned in the last newsletter, we are asking our presenters for their profiles to add to a magazine we plan to put out in the near future. This magazine is designed to help attract interest in the station along with more members and subscribers. Please send your profiles to supervisor@noosacommunityradio.org

All presenters need to have a show promo on the studio computer so their programs can be promoted by the other presenters. If you have had the same promo for some time, it might be time to update it. Debbie Noyek has offered her time to make you a good promo. Leave a note in her folder.
